

Minnesota Can Do Health Care Better

The Minnesota Health Plan:

- Is accountable, efficient, cost-effective
- Stimulates job creation
- Removes the insurance company middleman from our health care
- Relieves employers from negotiating and administering insurance benefits
- Provides secure coverage de-linked from employment

Better for Families, Farms, Businesses

Minnesota Health Plan Chief Authors:

Senator John Marty, Rep. Jeff Hayden

First introduced 2007, the bill passed four committees in 2009–2010

Contact your legislators in support:

Senate: 651-296-0504 or 888-234-1112

House: 651-296-2146 or 800-657-3550

Minnesota Health Plan

Comprehensive Single Plan for MN

Guaranteed for all Minnesota residents:

continuous coverage regardless of age, health status, employment or income.

Comprehensive coverage: prevention and primary care, hospitalization, mental health, dental, home health care, prescriptions, medical equipment and more.

Choose your own doctor: all licensed health care providers included in one state-wide network.

Premium based on ability to pay: no co-pays, deductibles, co-insurance, or out-of network charges.

Accountable to the public: administered by the independent Minnesota Health Plan Board, composed of regional representatives, doctors, nurses and patients.

Controls Costs

- Major administrative savings by having one plan, one payer and one set of rules
- Bulk purchasing of medications and supplies
- Global budgeting for hospitals, negotiated fees with providers
- Access to primary care to avoid costly and unnecessary ER visits
- Eliminates insurance underwriting, marketing, lobbying and excessive CEO salaries

Promotes Quality Care

- Puts doctors and patients at the center of care
- Assures continuity of care with provider of your choice
- Care coordination and patient education
- Community education and wellness programs
