

REPUBLICAN PARTY OF MINNESOTA

RESOLUTIONS FORM

February 2, 2010 Precinct Caucus

STEPS TO CHANGE THE PLATFORM of the REPUBLICAN PARTY of MINNESOTA:

- ° Resolutions that are passed at the **Precinct Caucus** will be forwarded to the **2010 BPOU Convention**.
- ° The **BPOU Convention** votes on these Resolutions, requiring a simple majority to pass.
- ° Resolutions that are passed at the **BPOU Convention** are then to be forwarded to the **2010 Congressional District Convention** where they are voted on; a simple majority is required to pass.
- ° Resolutions that are passed at the **Congressional District Convention** will then be forwarded to the **2010 State Convention** where they are voted on; where once again a simple majority is required to pass.
- ° Resolutions that are passed at the 2010 State Convention are incorporated into the **Standing Platform** of the **Republican Party of Minnesota**.

The Standing Platform of the Republican Party of Minnesota has **9 PLANKS**. Before writing your proposed Resolution, indicate to *which* PLANK your Resolution pertains (review the accompanying **Precinct Caucus Tabloid** for current wording of the standing planks):

- Creating an Environment for Economic Prosperity: Controlling Taxes, Spending, and Regulation**
- Preserving Our Civil Rights**
- Educating Our Children**
- Strengthening Families and Communities**
- Protecting the Public's Safety**
- Strengthening the Rule of Law**
- Enjoying and Protecting Our Natural Resources**
- Making Government Smaller and Better**
- Defending America at Home and Abroad**

As soon as you have your resolution written, give it to the caucus secretary. A maximum-10-minute discussion, pro and con alternately, will follow. A vote will take place and if passed, this Resolution will be forwarded to the BPOU Convention.

*I move that this precinct caucus support the following change to the above plank (1 of the 9 **must** be checked):*
(use back if more space needed)

Be it resolved that the Minnesota GOP supports and works to enact a universal, single-payer health care plan on the federal level and the single-payer Minnesota Health Act at the state level, in recognition of the failure of the market to provide equitable cost effective coverage to all Minnesotans.
