

TOGETHER, WE CAN SAVE GAMC

on

February 4th, 2010

In a matter of weeks, more than 70,000 Minnesotans will lose access to necessary health coverage with the elimination of General Assistance Medical Care (GAMC) **UNLESS WE ACT.**

The 2010 session of the Minnesota legislature begins on February 4th and concerned Minnesotans will rally at the Capitol to protect the poorest and sickest Minnesotans - those who rely on GAMC for their health care coverage.

Join with people throughout the state to call for justice, and to connect with your legislators to encourage them to Save GAMC!
